TUITION & ATTENDANCE POLICIES

ZenQuest Martial Arts Center

Please read carefully! Students and parents are responsible for knowing and following these policies.

EASYPAY - Our EasyPay option allows students to make automatic tuition payments from a designated account. EasyPay provides a discount on tuition equal to the quarterly tuition rates AND locks tuition into the rate that the student starts EasyPay with (for as long as they remain continuously enrolled with that option.) Enrollment with EasyPay requires payment for the first and last month of enrollment, designated account information, and agreement to the EasyPay terms. Two months' notice, in writing, must be provided to terminate an EasyPay enrollment.

ENROLLMENT PERIOD - An "Interval" tuition payment establishes an enrollment period for which the student is eligible to attend classes. The student's first enrollment period shall begin on the date of their first payment and end based on the selected interval ahead from that payment. Successive enrollment periods are based on the student's original start date. **Enrollment periods or tuition due dates cannot be changed based on missed classes or late payments.** Students are charged \$25 for a day-pass for classes attended without an active enrollment.

TUITION DUE DATES - A Student's tuition due date occurs at the end of an enrollment period. **Students and parents are responsible for maintaining their enrollments, keeping track of tuition due dates, and making tuition payments on time.** To assist students and parents with this, the student's name **may be** highlighted on the attendance list at ZenQuest's front desk when their tuition due date is near. **It is very important that all students and parents check-in upon arrival for classes to receive credit for attendance and stay informed about the status of their enrollment.** Whenever possible, family members should all be on the same tuition due date to avoid confusion.

TUITION PAYMENTS - Tuition payments should be submitted on, or before the student's tuition due date. **Students and parents are responsible for maintaining their enrollments, keeping track of tuition due dates, and making tuition payments on time.** A late fee of \$10.00 is charged with tuition payments are made more than five (5) days past their **Tuition Due Date. STUDENTS SHOULD NOT ATTEND CLASSES WITHOUT AN ACTIVE ENROLLMENT.**

FULL AND PARTIAL PARTICIPATION - Full Participation enrollment provides for unlimited and flexible participation (limited only by the age limits on classes.) During certain times of the year, youth students are required to designate class selections in order to control class sizes. A Partial Participation option is available for students age eight (8) or younger and is limited to one designated class per week.

MISSED CLASSES - Missed classes can be made-up within the student's enrollment period (scheduled with the chief instructors.) **Missed classes cannot be used to extend an enrollment period.** Students may also make-up missed classes in one program by attending class in another.

PROMOTION FEES - Rank promotions in the karate and jiu-jitsu programs have fees associated with them. Promotion fees vary for each ranking and are outlined on the program's rank test sheets. These fees are due at the time of promotion.

CUSTOMER'S RIGHT TO CANCEL - An enrollment may be cancelled, without penalty or further obligation, by written notice delivered in person OR postmarked by certified or registered mail within three (3) business days of the date of a contract OR the date of receipt to ZenQuest Martial Arts. Charges for classes attended and/or equipment used will be deducted from any refunds. For more information on rights to cancel, please see your **Policy, Waiver and Release Form.** Student enrollments or portions of same cannot be transferred to another student or individual.

ZENQUEST'S RIGHT TO SUSPEND OR CANCEL - ZenQuest Martial Arts reserves the right to suspend or cancel a student's enrollment at any time based on, but not limited to: inappropriate conduct, non-compliance with the school's policies, or failure to maintain amiable relations with the students or staff at the school.
